

NSAMRT REFRESHER PROGRAM

Application Checklist

Initial Application:

Submit the following documentations to the NSAMRT:

- Application Form
- Application Fee (One time)
- Postage Fees (If applicable)

Services will not be provided until all complete documentation has been received and fees have been processed and cleared.

Exam Challenge:

If ready to challenge the NSAMRT Refresher Program Exam (Either following completion of the academic component or as exam only):

- Ensure you are prepared
- Arrange a proposed location, time and exam invigilator
- Submit a Request to Write Exam Form to the NSAMRT Refresher program

Note: If you are a Canadian educated technologist and are completing the program for re-entry to practice you must successfully challenge the examination prior to commencing the clinical component of the course.

International educated technologists who have not previously registered with a Canadian Regulatory body or the CAMRT are not eligible to access the clinical portion of the Program.

Clinical Refresher:

Prior to commencing clinical all pre clinical documentation must be submitted and approved by the refresher program coordinator. It is recommended that all documentation be submitted as soon as possible to avoid delays in commencing clinical.

Pre-Clinical Documents:

- Obtain personal liability insurance
- Submit proof of BLS for Healthcare providers
 - If applicable, complete any required applications through Regulatory body
- Clinical Site Proposal for approval by NSAMRT Refresher Program
- Clinical site Agreement
- Complete any additional requirements of clinical site (i.e. criminal record checks)
- Self Assessment (submit to NSAMRT and clinical preceptor)

Post Clinical Documents:

- Safety and Orientation Checklist
- Clinical Hours Tracking Sheet
- Assessment of Clinical Performance- Formative x 4
- Assessment of Clinical Performance- Summative
- Competency Tracking Table

When all required documents have been received, reviewed and found to be complete the applicant will receive a certificate of completion.

If applicable a letter indicating successful complete will be sent to the applicable regulatory body.
