

Save The Date

Dear Member,

Re: Invitation to the Atlantic Conference

We have the pleasure of inviting you to attend the “2018 Atlantic Medical Radiation Technology Conference” which will be held on **April 6th and 7th**, at the Credit Union Place in Summerside, Prince Edward Island starting with an opening social on Friday the 6th and all day education on Saturday the 7th followed by a social event that evening. This conference is organized jointly with the Newfoundland and Labrador Association of Medical Radiation Technologists, the Nova Scotia Association of Medical Radiation Technologists, the New Brunswick Association of Medical Radiation Technologists and the Prince Edward Island Association of Medical Radiation Technologists.

The theme of the conference is “*Self-Care to Patient-Care*”. We are delighted to inform you that we are able to provide the cost of registration free of charge for all Atlantic MRT Members who wish to attend, please keep in mind that there is limited space. We are pleased to bring the conference to each and every member who can't attend in person via live webinar with a limited space of 500 webinar attendees. We will be working together with provincial workplaces to organize a host center(s) for the webinar to ensure all MRT's have access to the Atlantic conference, if desired.

We have selected **Lakeview Summerside Resort – The Loyalist Country Inn** as our host hotel, it is located on 195 Heather Moyses Drive at (902) 436-3333. There are 55 rooms reserved for our conference at a rate that varies from \$110 - \$173 per night. The Loyalist will be happy to extend the conference rates for two days prior and after the conference dates, based on availability, if desired.

Stay tuned for more information about the conference and registration details in early January 2018. We look forward to seeing you in PEI.

Sincerely,
Atlantic Conference Committee
