

## NSAMRT Site Visits

Please come and join us for a conversation. A member of NSAMRT's executive council and the executive director will be visiting sites across the province in May 2019. We want to hear your thoughts and update members on what is happening in the association. Please drop in during your lunch break for a bite to eat and a quick chat. We look forward to seeing you. All MRTs and sonographers are invited. Dates and times for our visits are listed in the schedule. Four meetings are also being teleconferenced. Any member or sonographer can join any meeting or use the provided links to teleconference into a meeting.
